

# Milbury Center Newsletter

The teachers are very happy to see all of the returning children and very excited to meet the new ones.

Our first Parent Meeting on July 15, 2010 was a great success!

We have 46 children up-to-date and 44 currently enrolled.

The Preschool children are busy learning about The Transportation and Safety Theme, after just finishing their wonderful Friendship

Celebration Theme in which the children had a great big party, with lots of music and food. We saw lots of smiles. The children are now preparing for their first Birthday Club Celebration planned for July 30, 2010.
