

## **New Role for Burnett House**

TMC is partnering with American Sunrise, a family service nonprofit founded by former Mayor and U.S. Housing Secretary Henry Cisneros, to offer a new Head Start program in the Victorian house in which actress Carol Burnett roller-skated and was raised by her grandmother until striking out by train for California at age 7.

“I’m just so thrilled that the old house, as I call it, was preserved,” said Burnett, 78. “I’m doubly elated that they’re doing it for this purpose.”

The Head Start early-childhood program will serve 51 disadvantaged toddlers and preschool children in the restored house and an adjacent two-story home, said Mary Capello, president of TMC. The federally funded program will emphasize health, school readiness, and social and emotional development.

## **TMC Human Resource Department Welcomes New Staff**

TMC’s Human Resource Department is proud to welcome some new faces to the Department at the Corporate office and throughout the regions.

At the Corporate office, TMC would like to welcome Ms. Yolanda Machuca—Enrollment Clerk and Ms. Elizabeth Miron the newest HR Clerk. TMC would like to welcome Mr. Abel Flores who will be the new HR Technician for the Head Start/Early Head Start program in Starr and Zapata Counties. Also, TMC would like to welcome Ms. Christina Whitney the new HR Manager in the Indiana Region; Ms. Coral Mabie the new HR Manager in the Western Region; and Mr. Richard Perales the new HR Manager in the Wintergarden Region—Crystal City Service Area.

Congratulations to the newest members of our TMC family.
