Letter from the Center Manager

Dear Parents:

Time has already come, and pretty quickly I must say, and whinding down to the end of the 2011 school year. I want to thank each and everyone of our families, extended families (grandma, grandpa, tia, tio, etc) and the community on a successful year. It takes a lot of work and effort to do the best for all our children. We all have a responsibility to make sure our children are cared for, provide an education, and that they receive all they need for a healthy life, (physicals, dentals, TB, etc) in order for the children to become successful individuals.

We have sent off NAEYC Parent Surveys to you, please complete them and return to the center. Your input and participation is a step in helping us become a nationally accredited school.

As we say good bye to this year, we say hello for next year, all seasonal families need to contact Sarah and Emma to fill out pre registration and bring in documents needed for next years enrollment.

Families that are traveling up north please drive safely to your destination

We wish all our families and community a safe and great summer, take care and hope to see all of you again soon.

Dear Parents,
For the month of May our theme will be "Summer Fun". We will be discussing different things we can do and also foods we eat in the summer. We have planned activities to do at school as well as activities for you and your child to do at home. We would like to invite you to participate in the following activities that we have planned. If you have any questions please fell free to give us a call.
