Letter from the Center Manager

Parents as Partners:

We hope everyone had a great & productive September month!

This month we will be gearing up with a PCC Mtg (Parent Community Council Meeting) on October 5th. It will start at 11 am with the Mental Health Consultant to discuss ways to help you help your child in behavioral situations. And then at 12 pm we will have our first parent mtg. of the year with the election of officers. On September 26th JoAnn Herrada attended the RCC Mtg (Regional) via telephone conference and will present you with what was discussed at the RCC Mtg on the parent mtg.

Our enrollment is slowly increasing and we are anticipating opening the Infant classroom on October 12th, the FSA's and myself will be reviewing the selection criteria, a process we conduct to enter children on the waiting list by a point system.

We encourage you to continue recruiting more families so we may meet our funded enrollment to continue the services to the children and families in our area.

Attached is the October calendar so you may see the activities the teachers have set up for you and your child/ren.

We encourage you and your family to take advantage of visiting the center and become active with your child's education and help build on your child's self esteem to grow productive and respectable individuals.

If you have questions or concerns please call or come by my office our doors are open to you.

AN AUTUMN GREETING

"Come," said the Wind to the Leaves one day.

"Come over the meadow and we will play.

Put on your dresses of red and gold.

For summer is gone and the days grow cold."
