Letter from the Center Manager

Dear Parents:

WELCOME BACK! and to our new families WELCOME TO PEARSALL TMC. First, we hope everyone had a great & relaxing summer and that your children are ready to learn and have fun this year.

Announcements:

Every month we will be sending you a calendar and newsletter describing what we will be doing for that month. Classrooms will have activities including father initiative activities, posted on the calendar, date and time of parent meeting and trainings and other events that come up.

We are still recruiting for families, if you know of any families in the Pearsall, Dilley, Cotulla, Devine and Moore areas please send them our way (830)-334-2184. Your help is greatly appreciated.

Our first parent meeting and training will be October 5th at 11:00 am. We will be having the "Platicas" and other headstart federal trainings. Las Platicas give all parents the opportunity to sit together and discuss the Mental Wellness of yourself and your family members. This reflects on your day to day life's circumstances—the highs and lows and the joys and sorrows and how to cope with them. Pearsall Wellness Center and TMC are here to help you through everyday challenges as best as possible, so please join us. Also we will be electing officers for our Pearsall TMC parent community council board.

We have many announcements through out the year and you will be informed of all the wonderful activities we will be having. We encourage all our families and extended families to participate in our all year activities. Your presence is an asset to your children's self esteem and education. Again, welcome and hope to see you soon!!

Breakfast Reading
Breakfast time is a great time to work on reading skills. Quiz your youngster about the sounds of consonants and vowels on her cereal box. Try saying the sound of a letter and asking her/him to find it on the box.
