

Farewell Message

July 2011

All good things must come to an end, but the friendships and success stories live on forever. Unfortunately, the state reduced early childhood funds drastically and some programs were cut. I am happy to announce that funds for TSR! have been approved, however final distribution of monies has not been announced. As of today, this department will no longer exist here at TMC. Look for news in the near future. We are still hopeful.

Together we have made a difference!!!
