It is the policy of Texas Migrant Council, Inc., to ensure equality of treatment for all individuals in the areas of selection, opportunity, training, promotion, representation and provision of services.

Texas Migrant Council, Inc., has and will continue to design and support programs that cultivate positively oriented results in the human arena of equality, not simply because it is the law, but because of concern in helping to alleviate poverty, aid in employment, and provide positive actions to insure that violations of individuals' Civil Rights do not occur.
