Carrizo Springs, TX – The Middle Rio Grande Development Council (MRGDC) honored TMC at their annual meeting for outstanding work and contributions to the Middle Rio Grande Region. “TMC has always been a strong supporter and continues to offer quality services to the migrant population throughout the Middle Rio Grande region. We could not ask for a better partner than TMC”, stated Judge Joe Aranda – Board Chair.

“The success of our programs has always been the partnerships that we have in the Middle Rio Grande region. Recently we were given NAEYC accreditation in our Eagle Pass and Carrizo Springs Center, our goal is for every Center in this Region to be given that accreditation”, stated Mary Capello – CEO.
