Texas Migrant Council, Inc. mourns death of former student

Raymondville, TX – The Texas Migrant Council, Inc. mourns the death of Staff Sgt. Hector Leija, who as a child was a student at our Lady of Guadalupe Head Start Program. “Sgt. Leija represents what is great about our country”, stated Mary Capello, Chief Executive Officer. The Texas Migrant Council strives to provide programs that allow families to work with different entities to create greater opportunities. We honor Mr. Leija today for the sacrifice he gave for his country, our Head Start students and the migrant families we service; and we honor him as a role model for his willingness to give so that others lives may be blessed with the opportunity of freedom.
