

Ohio Head Start Association Welcomes TMC-New America Corporation

April 11, 2007

Columbus, OH – CEO Mary Capello and Migrant Seasonal Head Start Director Cynthia Garcia were welcomed at the monthly meeting of the Ohio Head Start Association held on April 11 and April 12th. Ms. Capello and Ms. Garcia made a presentation about TMC-New America Corporation and the migrant families they serve in Ohio. They had the opportunity to learn about new regulations; challenges that exist for Head Start and how to partner with the head start programs that are in existence in Ohio.

“We are always searching for opportunities to partner with other programs, visiting with the Association allowed us an opportunity to discuss bilingual challenges, busing, teacher shortage and different learning methods used in Ohio”, stated Mary Capello – CEO. “We plan to have our regional office play a more active role in the Association in the upcoming year, together we can help educate a better Ohio”, stated Cynthia Garcia – Director.
