

New HHSC Program Director visits Healthy Marriage Program

Laredo (2-27-2007) - Mr. Juan Gonzalez, the new Health & Human Service Commission (HHSC) Program Director for the Corpus Christi area visited Laredo today to learn about the Healthy Marriage Grant. Mr. Gonzalez was assigned the Laredo area about a month ago due to a recent reorganization. “This was Mr. Gonzalez first visit to Laredo as the Program Director, so I was fortunate that he made the time to visit and discuss our Program”, stated David Silva – Healthy Marriage Coordinator.

The meeting was set up for Mr. Gonzalez and I to formally meet and introduce our community. “I had the opportunity to explain the purpose of the Healthy Marriage Program to Mr. Gonzalez and how his TANF staff can assist in informing their clients on the benefits of the program and make referrals to the program as appropriate”, stated Mr. Silva. There are still some technical issues that need to be resolved before that can happen.

“I look forward to working with TMC and the community of Laredo in making the Healthy Marriage Program a success in Webb County”, stated Mr. Gonzalez.
